

VI. ACCEPTANCE OF GIFTS

- A. Any gifts, legacies, trust funds, or other donations made to the Hollis Social Library must be made to the Trustees of the Library, to the Town of Hollis for use by the Library, or to the Friends of the Hollis Library. Gifts or donations made to the Friends of the Hollis Library may qualify for matching funds.
- B. Any restrictions made by the donor on any gifts, legacies, trust funds or other donations must be clearly indicated in writing and must be accepted by a vote of the Board of Trustees: otherwise the Trustees will retain the right to use the gift to benefit the Library according to their judgment.
- C. The Library accepts donations of books, videos, and other materials. Those materials not added to the Library's collection may be placed in a book sale to benefit the Library, or may be discarded.
- D. The Library is not required to store objects which are not outright gifts.
