Mission Statement and General Objectives

I. Vision Statement

Connect. Explore. Inspire.

II. Mission Statement

We welcome and connect the community with informational, cultural, and enriching resources to promote literacy, stimulate the imagination, and support lifelong learning.

III. General Objectives

The objectives of the Hollis Social Library are as follows:

1. To acquire and maintain an organized and up-to-date collection of print and non-print educational, recreational, and informative materials.
2. To serve the community as a reference, resource, and recreational reading facility.
3. To identify community needs and to initiate programs and services to meet those needs.

This policy will be reviewed and revised by the Hollis Social Library Board of Trustees as needed.
